## **ACCESSORIES FOR POLINERS**

The products in these kits have been designed to improve the contact between Poliners and the inking cylinder and reduce poliner wear.

- **POLINER PRESS KIT ABC:** 25 Mts of polyester tape, 25 Mts of a self-adhesive foam strip, 50 pieces of cleaning scrapers

The polyester tape, adhesive foam strip and the scrapers may also be purchased as individual kits as indicated below:

- **KIT A:** 25 Mts of bi-adhesive polyester tape, width 70 mm (It blocks the foam strip and protects the same from the wear).
- **KIT B:** 25 Mts of a self-adhesive foam strip
- **KIT C:** envelope of 50 pieces of cleaning scrapers
